

All About *Yamilet*

Age: 11

Learning Center Class: Class 5

Favorite Book: Books with princesses

Favorite Center Activity: Class trips to celebrate students' good attendance and behavior, writing daily journal prompts

Strengths: Although Yamilet's favorite subject is mathematics, she loves reading and writing. In the Learning Center, she shows her creativity through well thought out responses to daily journal prompts and teachers can always depend on her to kindly help other students around her. Outside of the center, Yamilet loves to dance and has performed merengue routines with the Batey Libertad dance troupe for her school and for audiences in Esperanza.
